If you cannot make it to the In-Person event, invite your family and friends to participate in the Online Benefit to learn about the ministry of Living Hope Ministries in Haiti and to donate to the clinic project.

There will be weekly videos, pictures, updates, and ministry goals set up to go towards the building the new clinic in Zest, Haiti. There will be many possibilities to learn about Haiti and Living Hope Ministries. Come join us online October 24th for the kickoff and throughout November 24th.

The Haiti Update: The ministry continues to grow and expand as the Lord wills. Our Primary School and main campus Trade School opened in September as planned. The Satellite Trade school will open in October. We continue to work up at the cement block factory next to the clinic site in Zest. This must be done first so that the Cement Block Machine will be enclosed and safe. We are getting anxious to start on the clinic walls and build as the funds come in. I have been traveling a lot this summer, catching up on speaking engagements in Ohio, Pennsylvania, Kentucky, Michigan, and Oklahoma. I would love to come to your church or Bible study to share what God is doing in LHM. – *Mary Jane*

What's Happening in Haiti? Well, a lot ...

Just when you thought it couldn't get any crazier in Haiti, something new happens! Who would think that the LHM mission would actually be expanding into a new area? If you did, you guessed right. It is absolutely amazing to watch God work in ways we never could have anticipated. It brings to mind a verse in Ephesians:

"Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen." Eph 3:20-21

If you are thinking "clinic," well, you would be right. But think again. We are opening our first **Satellite Trade School!** God has opened the doors for ministry in a new area called Riviere Froide, near Dedand, about a 1 hour and 45-minute walk from our current campus. It is in a gang inhabited area, but it was actually some of the gang members with others from the community that approached LHM with this request. They would like to have better options for their own children, rather than growing up looking forward to joining a gang. They requested women's and men's sewing classes, and cooking/baking classes, and music classes in drums and violin. Now we have added keyboard, guitar, and vocal technique.

More on this later, but what a wonderful opportunity to reach people that would have no contact with LHM under normal circumstances. We pray that God will soften hearts, open ears to hear about Him, and open eyes to see the love of Jesus poured out around them. This is why we are in Haiti. As Jesus said in Matthew:

"You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead, they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven." Matt 5:14-16

Please pray that we will glorify God and shine His light into this community as LHM begins teaching in this new location. Pray that we would show Christ in word and deed, which is our mission statement:

To train a generation of young men and women to change their families, communities, and nation with the Gospel of Jesus Christ in Word and Action.

This is the building where the Satellite Trade School will hold classes for the first year.
